How familiar are you with the Pit Bull breed personality? \_\_\_\_\_

I, \_\_\_\_\_, understand that becoming a foster parent means that I am responsible for the animals in my care from every aspect, (feeding, exercising, training if needed, heartworm and flea prevention, related health upkeep, etc.) from the time I receive the pet, until he/she is re-homed. I also understand that adoptions can take as little as 48 hours or as long as six months; there is no guarantee on adoption rates.

X \_\_\_\_\_ I understand that if I am non-compliant with the terms set forth by the American Pit Bull Foundation with foster pets in my care, I relinquish the right to foster with APBF and all animals being fostered associated with APBF will be returned to the organization immediately.

X \_\_\_\_\_ I understand that I cannot adopt out any foster pet in my care without approval through APBF. I will direct interested parties to fill out and submit an adoption application.

X \_\_\_\_\_ I will not hold the American Pit Bull Foundation liable/responsible in the event of an injury, (related to my foster dog or otherwise), or property damage, (related to my foster dog or otherwise).

X \_\_\_\_\_ I understand that APBF recommends that I consult with my home owner's or renter's insurance provider prior to fostering to ensure that there are no breed specific stipulations in coverage.
